Continuation of Substance of Interview including description of the general nature of what was agreed to if and agreement was reached, or any other comments: Examiners and Mr. White discussed whether declaration of Mr. White was sufficient to show diligence. The Examiners' opinion was that a specific date must be stated to establish diligence prior to the critical date of December 9, 2003. This opinion was based on MPEP §§715.07 and 2138.06 which state that specific dates to establish diligence are required and that applicant must account for the entire period during which diligence is required. Mr. White disagreed and believed that merely stating diligence began prior to the critical date was sufficient. No agreement was reached.
